

SING

Show off the talents of your local choir! Vox Lumiere now offers the unique opportunity for your area singers to perform in our one-of-a-kind theatrical productions. Perfect for children's choirs, church groups, middle schools, high schools, colleges, as well as professional and amateur groups.

LEARN

Vox Lumiere's creator, director, world-class musicians and vocalists work with your group to provide "real world" vocal and performance techniques that help good groups become great groups. Workshops, seminars and master classes are available and can be customized to fit the needs of any ensemble.

INVOLVE

Engage your community like never before. Rehearsals in the weeks and months before the performance builds excitement and pride in your local choir, as well as their friends and family. This energy and anticipation sparks a strong word-of-mouth that translates into sales for the show.
